

Letter to the Speaker of the House of Representatives Requesting Funds for the National Strategy for Pandemic Influenza Preparedness and Response

November 1, 2005

Dear Mr. Speaker:

Today, I outlined a strategy to address the threat of avian and pandemic influenza. This strategy is designed to meet three critical goals: to detect and contain outbreaks before they spread across the world, to protect the American people by stockpiling vaccines and antiviral drugs and accelerating the development of new vaccine technologies, and to ensure that Federal, State, and local communities are prepared for potential domestic outbreaks.

To provide the necessary resources to immediately begin the implementation of this strategy, I ask the Congress to consider the enclosed requests, totaling \$7.1 billion,

for the Departments of Health and Human Services, Agriculture, Defense, Homeland Security, the Interior, State, and Veterans Affairs, as well as for International Assistance Programs.

I hereby designate the proposals in the amount requested herein as emergency requirements, and I urge the Congress to act expeditiously on this request to ensure the country is prepared for this growing danger.

The details of this request are set forth in the enclosed letter from the Director of the Office of Management and Budget.

Sincerely,

GEORGE W. BUSH

Message to the Congress on Continuation of the National Emergency With Respect to Sudan

November 1, 2005

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. Consistent with this provision, I have sent the enclosed notice to the *Federal Register* for publication, stating that the Sudan emergency is to continue in effect beyond November 3, 2005. The most recent notice continuing this emergency was published in the *Federal Register* on November 2, 2004 (69 FR 63915).

The crisis between the United States and Sudan constituted by the actions and policies of the Government of Sudan that led to the declaration of a national emergency on November 3, 1997, has not been resolved. These actions and policies are hostile to U.S. interests and pose a continuing unusual and extraordinary threat to the national security and foreign policy of the United States. Therefore, I have determined that it is necessary to continue the national emergency declared with respect to Sudan and maintain in force comprehensive sanctions against Sudan to respond to this threat.
